

Frequently Asked Questions (FAQ)

Question: Where can I get the Post UTME form?

Answer: The post UTME application form is available ONLY online on the University official website. You can access the University website at www.unimed.edu.ng. Click on Admissions and select Post UTME from the drop down. That will take you to the Post UTME application Portal. Ensure to read the application guidelines on the “How to Apply” page before you proceed with your application.

Question: Can I pay for the Post UTME application form at the bank?

Answer: Yes, applicants can pay for the Post UTME application form at any of the local banks using the Remitta payment platform. However, applicants are to ensure to first generate their **RRR payment code from the University’s payment portal** before proceeding to the bank. After paying at the bank, applicants are expected to go back to the University’s payment portal to generate a receipt for the payment and complete their application form.

Question: Where can I get my password for application login?

Answer: Your password is your payment transaction ID, the transaction ID can be seen on the payment receipt generated from the University’s payment portal.

Question: My O’level result is not out yet, can I still apply for the Post UTME?

Answer: Yes, you can apply. There is provision for students who are awaiting their O’level result on the application form. When filling the ‘**Academic Record**’ on the application form, select AR (Awaiting Result) as the grade for each of your relevant O’level subjects.

Please note that if you are offered admission, you will be required to provide your O’level result during the screening exercise.

Question: If I am awaiting my O’level result, what do I upload on the application portal in place of my O’level result?

Answer: Applicants who are awaiting their O’level result can upload the data page of their O’level exam photo card or O’level exam registration slip showing their registration number in place of their O’level result.

Question: Can I apply with two sittings of O’level result.

Answer: Aside ‘Medicine and Surgery’ and ‘Dentistry’ courses, you can apply to any of the other courses offered by the University with two sittings of O’level result.

Question: I didn't choose UNIMED as one of my choices of institution with JAMB, can I apply for the Post UTME?

Answer: Yes, applicants who did not choose UNIMED as one of their choices of institution when registering for the UTME exam can also apply for the University's Post UTME. However, such applicants are expected to proceed to the JAMB portal and change to UNIMED as their first choice of institution.

Question: I choose UNIMED as my second choice of Institution, can I apply for the Post UTME and would I be considered for admission?

Answer: Applicants that choose UNIMED as their second choice of institution when registering for the UTME exam can apply and sit for the Post UTME. However, the University would not be able to offer admission to any applicant whose first choice of institution is not UNIMED as at the time the University is processing student admission on the JAMB CAPS. Applicants who choose UNIMED as their second choice of institution are therefore advised to apply for a change of institution with JAMB.

Question: Do Direct Entry applicants also need to apply and sit for the Post UTME exam?

Answer: Yes, Direct Entry applicants are expected to sit for the Post UTME.

Question: How can I access the Post UTME exam past Questions?

Answer: After paying for the application form, applicants would be able to download and print the Post UTME past questions from their application portal.

Questions: Why does my application slip says invalid registration?

Answer: It is because you filled both the section for UTME Score and Direct Entry Exam section.

There are two categories of applicants, UTME applicants and Direct Entry applicants. On the online application form the 'Academic Record' part are in three (3) sections: (i) O'level result section, (ii) UTME result section and (iii) Direct Entry Exam Detail section.

UTME candidates are to fill section (ii) and DE candidates are to fill section (iii). Do not fill (ii) and (iii) together.

To correct this, kindly login to your application portal, remove the unwanted information and update your application. Now, proceed to reprint your application slip.

Question: Where can I find my exam date and time?

Answer: Upon successful submission of your application form online, you will be able to print your application slip. Your exam date, time and venue will be specified on the application slip.

Question: My exam date and time reads 'check back later' how do I get my exam date and time?

Answer: Kindly refresh your application slip page or logout of your application portal and login again and reprint your application slip.

Question: Is UNIMED a private University?

Answers: UNIMED is Ondo State specialized government owned Medical University. It was established specifically to train in all science fields and all health professions.

Question: Is the University part of the ongoing strike

Answer: Since inception of the University has enjoyed an uninterrupted academic calendar even during COVID-19 lockdown.

Question: What is the University tuition fee like?

Answer: Kindly check the University official website at www.unimed.edu.ng for a breakdown of the university tuition fee for each of the departments and levels. On the website, Click on STUDENTS and select 'Schedule of fees' from the drop down for a comprehensive tuition fee.

Question: Are Students allowed to pay their tuition fee in installments?

Answer: New Students (100 Level and 200 Level Direct Entry) are required to pay their school fees in full after completing the screening process. However, Returning students can apply to pay their tuition fees in two installments (60% in first semester and the remaining 40% in the second semester).
